NOW PROVIDING WON-DOOR PRODUCTS

Novalco has been in business in Oklahoma since 1966, and has been the Oklahoma Dealer for Horton Automatics for over 40 years. In April, Horton's parent company (Overhead Door Company) purchased Won Doors in Salt Lake City, UT (www.wondoors.com). Novalco is proud to add the Won Door line to enhance our pedestrian access solutions, in both servicing and installing these doors for our customers in Oklahoma. You may already be familiar with our quick service and installation of automatic pedestrian doors, if not contact us today to see what we can do to help you.

About Won-Door Corporation |

For more than 50 years, WON-DOOR CORPORATION has designed, developed, manufactured, and installed accordion-style folding doors. The Company offers fire, security, and acoustic doors for elevator lobby, occupancy separation, and smoke control and leads the industry in product innovation.

Today, WON-DOOR CORPORATION products are universally accepted as meeting both fire and building code regulations in virtually any application and are installed in a multitude of building types in North and South America as well as Asia, Europe, and the Middle East. Deloitte Corporate Finance LLC acted as the exclusive financial advisor to Won-Door Corporation.

Novalco is doing all we can to focus on not just doors, but different varieties of doors and offer you more solutions for your facility. In celebration of the 55 years we have been in business here in Oklahoma, we have streamlined our processes and upgraded our technologies to continue to make it easy to do business with us! In this day and age, we still do business on a hand shake.

Let us know how we can help you with your doors. We serve the entire state of Oklahoma from of our Tulsa and Oklahoma City offices.
